### ***State Pro-Family PAC-Endorsed Candidates Have Good Showing in Primary Election***

Madison, WI – “We are proud of the candidates we endorsed,” said Julaine Appling, Wisconsin Family Action PAC director. “And we congratulate those who prevailed in their primary contests yesterday. We look forward to having these candidates take their pro-family, pro-life, pro-liberty message to an even bigger audience in their respective general-election races.”

WFA PAC candidates won in 4 out of 6 races in which WFA PAC had endorsed candidates.

Appling continued, “In November, we anticipate that these individuals will prevail because voting citizens will recognize that their total-package conservative positions will truly keep Wisconsin on the right track. The policies and positions they champion and will implement are good for Wisconsin’s best natural resource—her traditional families—and that means they are good for Wisconsin. We wish these candidates all the best as they gear up for the final stretch in this election cycle.”
