Wisconsin Family Action PAC Endorses André Jacque
Statewide group issues sole endorsement in First Senate District special election

Madison, WI – Wisconsin Family Action PAC (WFA PAC) has endorsed State Representative André Jacque (R-De Pere) for the 1st Senate District in the May 15th Special Election Primary.

Following is a statement from WFA PAC director, Julaine Appling:

“It’s no secret that Rep. Jacque is one of Wisconsin’s most significant pro-life, pro-family champions. That’s why Wisconsin Family Action Political Action Committee (PAC) has endorsed only André Jacque in this special election.

“André Jacque has great passion for his pro-life work. During his time in the Assembly, he has consistently championed the rights of the unborn, as well as stood up for the freedom for all Wisconsin citizens, especially for Wisconsin’s best resource, her families. We are confident that André Jacque as a senator will, in both policy and practice, continue to work to ensure that our families become or remain independent of government and will strengthen and preserve the core values of marriage, family, life and liberty.

“We are proud to endorse André and thank him for running for the 1st Senate District seat. We encourage people in the First Senate District to vote for him in the May 15th Special Election Primary.”
